Amy,

I just read your email below (I was out of the office yesterday at 2:00). We will make this the priority of the day.

Lydia,

I just talked to Susan about the file attached in Bob's original email. I am fine with the changes that Bob has made. Can you or someone in your section get this into concurrence so that Ben can sign it today, and Susan can get the signed pdf to HQ so they will begin their review of the AM requesting a waiver to the \$2M. Carl and Pam requested this be done ASAP. I am here until 5:00pm today.

Thanks,

Amy

Amy,

See attached updated enforcement attachment.

Comments? Is it OK for routing and signature?
